HOTEL & SPA

# Park House

Nestled in peaceful West Sussex countryside, Park House has a tradition for hosting groups and entertaining families.

Whether you're organising a business get together or marking a personal milestone, we've spaces to suit from our boardroom and barn to "Run of the House."

# Event Spaces

## The Sussex Barn

Our purpose-built Sussex Barn is a blank canvas for events.

We've seen set ups for everything from business presentations and product launches to wedding top tables and festive bashes. The Barn is framed by mature gardens to one side and direct access to parking on the other.

The space connects seamlessly to the main House and kitchens, allowing for speed of service and last-minute adaptations.

---

**The Barn accommodates up to 75 guests**

---

We're close enough to London for accessibility, yet far enough away from corporate politics!

## The Boardroom

This light filled space has sweeping views across the grounds and gardens and has all the tech required to steer your business to a good result.

The Boardroom accommodates up to 12 guests and, due to its proximity to the Barn, can be used as a breakout space or as your offsite command centre for the day.
