Lava Mama Pregnancy Massage

60 mins £115

Using a combination of both hot and cold lava shells with pure coconut oil, this treatment aims to improve energy levels, assist circulation and alleviate puffiness and fluid build-up, particularly in the legs and ankles. It is a full body treatment targeted to your areas of tension and leaves skin fully hydrated. The clever combination of gentle but effective warmth and cold, assists with pain relief and reduces muscle spasm, making for a happy pregnancy.

Other popular treatments during pregnancy include:

- Foot Ritual
 - Vinosource Facial
 - Manicure
 - Pedicure
-

Please note: Sauna and steam rooms should not be used during pregnancy as the high heat can increase blood pressure. Care should also be taken in the swimming pool area and showers due to slippery surfaces.

Wellness Therapies

Our Wellness Therapies help to restore and soothe mind, body and soul, using carefully selected products to target skin-related side effects caused by chemotherapy, radiation and strong medication. Uses light touch massage, thus suitable for cancer patients, those with long term illness or anyone in need of a completely de-stressing experience.

Rose & Honey Harmony Facial

75 mins £105

Using rich Royal Jelly products, this Germaine de Capuccini facial is designed to alleviate dry, flaky and sensitive skin. Soothing rose hip oil revitalises dull tone and helps the skin regain natural immunity against daily aggression. The rose petal mask soothes skin prone to sensitivity brought on by emotional and physical stress. A scalp treatment using baobab hair oil can be included, or hand and arms can be massaged if preferred. A luxurious healing face and neck massage using warm Obsidian stones will help restore peace to the mind and soul.

Aloe & Mint Cooling Body Therapy

90 mins £135

This gentle cooling massage uses products rich in aloe vera to deeply hydrate the skin, lemon oil to purify and mint to refresh the body. Additional rose hip oil soothes, nourishes and reduces irritation. Your therapy is completed with a de-stressing scalp massage to aid relaxation, combined with the power of semi-precious stones to restore harmony to the mind. Ideal after radiation therapy.

Baobab Body Ritual

90 mins £135

This Germaine de Capuccini relaxing and indulgent ritual uses ethically sourced, organic baobab oil packed with antioxidants, vitamins and omegas to nourish and protect the skin. Your ritual begins with a gentle full body exfoliation using baobab seeds. Soothing lymphatic massage with baobab oil provides the skin with anti-inflammatory nourishing and hydrating benefits. To complete your stress-reducing experience, our relaxing baobab scalp therapy will help to revitalise the hair and soothe the scalp.

Calming Hand, Foot & Scalp Therapy

60 mins £85

Chemical treatments can cause extreme dryness to hands and feet and stimulate hair loss. This therapy counteracts this. Begins with a gentle hand and foot exfoliation, without water to maintain PH levels. Then a deeply hydrating mask to relieve extreme dryness and dehydration, followed by a nourishing massage. Finally, a revitalising scalp massage using baobab hair oil to revitalise the hair and soothe the scalp.

Exfoliation

Organic Exfoliations For All Skin Types

45 mins £70

Each treatment begins with body brushing to stimulate the lymphatic circulation and ends with an application of body lotion, leaving you feeling invigorated and your skin feeling super soft.
